

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

### Comparing Bird Beak Adaptations

Instructions: The beaks of two types of birds are shown below. Notice how different they look! Different types of birds have different beak characteristics. These differences help the birds survive in their environments.

Use the Venn diagram to compare and contrast the two beaks. Describe the shape and size of the beaks. What type of food do you think each bird eats? Be sure to label the diagram.
